"I asked an elderly woman once what it was like to be old and to know that the majority of her life was now behind her. She told me that she has been the same age her entire life. She said the voice inside of her head had never aged. She has always just been the same girl. Her mother's daughter. She had always wondered when she would grow up and be an old woman. She said she watched her body age and her faculties dull but the person she is inside never got tired. She never aged. She never changed. Remember, our spirits are eternal. Our souls are forever. The next time you encounter an elderly person, look at them and know they are still a child, just as you are still a child and children will always need love, attention and purpose." ~ Author Unknown

Westminster Helps

Westminster's Outreach Mission helps our community in several ways. One of these is providing meals for the Soup Kitchen. The Soup Kitchen serves meals every Saturday to Safeplace residents, Shut-ins, and anyone else in need of a meal. So far, Westminster has provided about 650 meals.

Great food, great atmosphere & great fellowship at the Happy Hollow Marina's Shaffer's restaurant!

SALVATION ARMY TEENS

On Nov 12, Westminster will be receiving a special offering for the Salvation Army Teens Christmas program. This provides Christmas gifts for disadvantaged teens in the area. Frances Moody saw this need "40ish" years ago. Westminster has been doing this ever since. As the Salvation Army Captains come and go, they always comment on what a wonderful program this is and that they know of no other community that does this. Please help keep France's vision alive by participating in this special offering.

DOING THE MOST GOOD

Sally, Susan, Lenore & Alonda made it to Lynchburg, TN & back without having to make their phone call to be "bailed out"!!! They greatly enjoyed the tour of the Jack Daniels Distillery and the wonderful meal at Miss Bobo's Boarding House!

Gen 7:16 says .." The animals going in were male and female of every living thing as God had commanded Noah..

THEN GOD SHUT HIM IN....

Don't miss this.... even after Noah had built the Ark, it was God Himself who shut him in, in order to shut out the waters of the flood... In other translations this verse says "The Lord sealed them inside."

May the Almighty God seal us inside His Ark of protection through this last quarter of 2023

It is not the fact that you have locked your house that keeps you safe at night, it is not your good driving skills that keeps you safe on the road, neither it's your healthy eating habits that keeps you healthy - only God can shut you in and shut out the devil that is seeking to devour you.

Father we pray that in this last quarter of the year, as we walk into the streets and as we drive on the roads, Oh God shut us in. Father we pray for our children that in the midst of dangers and molesters... You will shut them in, keep out the flood waters of abuse, rape, murder, accidents, diseases and untimely death... Oh God shut us in, shut us in your Ark of protection , into your Ark of compassion..

May GOD SHUT US IN AS WE OBEY HIM AND TRUST IN HIS WORD. Amen!!— — —
