2024

There is surely no other church with so many hardworking people. Westminster gets it done! One would think there are at least a hundred active members to do all the work you do. You make Westminster and God look good. Thank you, thank you, thank you.

For those who could not make it to the Midnighter's concert or the cookout you missed some good food and good times. It was wonderful to see the sanctuary filled and overflowing with people sharing the joy.

Beginning August 4, we will embark on some new work. The work of Project Regeneration where we will consider where we are, where we want to go and how to get there. There will work for the session and the congregation. As we go through this process, there will also be a Pastoral Search Committee selected and they will proceed with the search for a new pastor.

Please continue to pray for the church as we proceed through these important processes.

In His Love, Susan

**PUZZLES**

Nick Winn enjoys putting together jigsaw puzzles. He put this 500 piece puzzle together in six days! He says it really teaches you to have patience! This is his 6th or 7th puzzle just this year! He will coat the pieces with glue so that they can be framed later if so desired.

# CYPRESS MOON STUDIOS

WPC's very own Avery Guinn did an outstanding job as Johnny Cash in the *Million Dollar Quartet*! It was such an amazing show that they added 2 additional show times! Congratulations to the producers & talented cast!

Avery Guinn is a film/stage performer from the Shoals area. He has portrayed characters such as "The Wolf/Cinderella's Prince" in "Into the Woods", "The Beast" in Beauty and the Beast, and "The Man in the Yellow Suit" from "Tuck Everlasting." He has thoroughly enjoyed taking on the role of the legendary Johnny Cash! He hopes you enjoy the show!
