*A Season of Peace*

The Peacemaking Dove was presented to WPC at the Fall Presbytery meeting held at Camp Maranatha! It's such an honor to bring this symbol into our congregation to help guide us as we are on this spiritual growth journey!

**NAP Peacemaking Dove**

The Peace Dove was presented to North Alabama Presbytery at the General Assembly in 1995 to recognize the Commitments to Peacemaking made by more than 50% of the churches in North Alabama Presbytery. Since 1995 the Dove has been passed around among the churches which have made a Commitment to Peacemaking—to remind us of God's call for us to be peacemakers.

May we use this "Season of Peace" to recommit ourselves to our call to be peacemakers, remembering the wisdom voiced one of the great hymns of the church, ***"Let there be peace on earth, and let it begin with me."***
