As I write this article, we are preparing for the first meeting of the Pastoral Search Committee. Once again, I am so thankful for the individuals who have agreed to serve in this capacity. Please pray for the committee and the process.

The process will involve completing a comprehensive questionnaire called a Ministry Discernment Profile (MDP). Some of the questions include, "What is our vision for ministry?", "How will the church address the needs of our community?", and "What are the skills, gifts and training desired in the new pastor?". We will be answering these questions together as we go forward, so please give some thought to any input you might have regarding these questions and share your thoughts with a member(s) of the committee.

This process will require our work, but the main work is learning to depend on God's leadership as we proceed. May we always trust and follow God's will for our lives and our church.

Peace and Blessings,

Susan

Thank You Pastor

The work you have done for this congregation in such a short time has truly been a blessing! God knew we needed someone like you to pick up our shattered hearts and give us our hope & joy back! Thank you for working with us to find the right pastor. Your personality is like a breath of fresh air & contagious. Thank you for being a leader who sees a way, goes the way & shows us the way to a stronger church family. You have a servant's heart & have inspired us to look beyond ourselves to help those in our community. Your heart of compassion brings comfort & hope. You and Paul are making a difference! We appreciate & love you both! May God Bless You!
